## OUR SUPERINTENDENT

Let's walk up the steps of the main kennel, now turn left into the first office. Yes, that is where you can find our genial, fun-loving, but hard-working superintendent, L. R. Hetrick.

He was on the faculty for four years before becoming superintendent. Mr. Hetrick has been superintendent for seven years, during which time many improvements have been made, including the organization of a Student Council, the organization of football, the building of a stadium-bus garage, and vocational agriculture facilities.

His day is not spent entirely in his office, as he is the industrial arts teacher, advisor of the Student Council, advisor, faculty member for athletics, Boy Scout leader, and member of the basketball coach, and vice-president of the Sandusky Bay Conference.

Helpfulness and interest in his students are some of Mr. Hetrick's many merits.

Besides his school activities, he is an active member of the Kiwanis Club, Masons, and a bowling team, and also has the problems of raising a family.

## CLASS HISTORY

As our school life comes to a close, let us review the past. It was 1938 when we first enrolled in Harris-Elmore School. There were 36 of us. As we continued our journey through school, some pupils left us and others joined us, until now there are 30 students left to graduate.

We began our school training by learning the fundamentals of the "three R's." For the next few years we put these fundamentals to work and wondered how we would ever pull through.

Finally we were up to the eighth grade; how we ever made it nobody knows. We had a Christmas party at the home of Kathryn Kuhlman. In the spring we gave a party for the seventh grade. On May 28, 1946, we went to Oak Harbor for commencement exercises and received our grade school diplomas.

Then we were freshmen. The boys were initiated by the upper classmen and were wondering if they would ever find their clothes after climbing in tree tops and looking around in bushes for them. Our Christmas party was held in the Commercial Club rooms.

Then came our sophomore year. We had a skating party April 9, at Forest Park. As an added means of raising money we sold tee-shirts here at school. Ina Mae Lamale was hostess to the class at a Christmas party in her home.

## CLASS WILL

We, the class of nineteen-hundred and fifty, being of sound mind and memory, do hereby make this document public and declare this to be our last will and testament, hereby revoking all wills made heretofore: Suzanne Avers: My Arthur Murray Dance Booklet to Charles Roepke.

Jerry Beck: My way with the women to Kenneth Kuhlman.

Margaret Bukas: My slender figure to Muriel Gregg.

James Croll: My ability to break my nose

Our junior year was spent with more activities. First we received our class rings. On November 12 and 13 we presented the play, "Home Sweet Homicide," a mystery in three acts. It was given under the direction of Mrs. Coleman, and proved to be a great success. Then came the annual Junior-Senior Banquet which was held on May 14, in the school auditorium. Our theme was the "Shamrock Nite Club." The girls were initiated by the senior Versatile girls at their annual banquet held on May 7.

At last we were what we thought we would never be--SENIORS. We had our graduation pictures taken at Livingston Studios, in Toledo, in October. We received our name cards, invitations, and all that goes with graduation throughout the year.

The juniors honored us at the Junior-Senior Banquet and dance on May 13.

The Class of '50 is proud of their football, basketball, and track members, the Purple 'n' Gold and Helm staffs, and librarians.

We must leave Harris-Elmore School now that we have completed our twelfth year, but we shall never forget the many, many happy hours that we spent together during our entire class history.

With the memorable Senior Day, baccalaureate, and commencement exercises, we go "out of the harbor, into the deep."

## ELMER BARKS

As the graduating class of 1950 enters the future, I, Elmer, the bulldog, with my crystal ball, am looking 20 years ahead into the lives of the graduates. To my amazement I see that everyone has been very successful in his own ambition.

As I look into their lives I see that Roy Wendt has finally established his own Kroger store in the Mohawk Valley in the State of Washington. He has been having excellent trade with the Indians as well as the bears.

I see that Kathryn Kuhlman has taken up a career of music. She will use her Metropolitan Opera voice to win the hearts of many Elmore people when she makes her debut in Louis Jeremy's Opera House. Among her selections will be "Somebody's Unfinished Symphony."

Well, well, I see Ray Zunk has finally

taken over the position of twenty-first Vice-President of the Snapless Garter Company of Stretchville, Utah. He has been working for this position for the past 20 years.

In Madison Square Gardens last Friday night, Jim Lowry, former lightweight champion of the world, knocked out Ezzard Charles in 45 seconds flat of the first round. Charles more than met his match in this bout and will soon retire, as Lowry will continue in his footsteps.

I see that Douglass Sloan has founded a Lonely Hearts Club in Elmore, with slogan: "If you're young and gay with life, come in and get yourself a wife."

Last night burglars broke into the Carol Jean Frocks Dress Shop and got away with many beautiful dresses, as well as twelve gorgeous women. Don't be alarmed--they

were only dummies.

The Society for the Prevention of Cruelty to People Who Can't Help Giggling met last Friday afternoon at the home of Mrs. Steve Kozak (nee Florence Murray), the founder and president of the club for the last 10 years. Many subjects were giggled about.

Jerry Hetrick, former Arthur Godfrey Talent Star, can now be heard on his own radio program every Friday evening over station WELM. Jerry has won the hearts of all the teen-agers with his beautiful voice. He is often referred to as the second Bing Crosby of the century.

Donald Draper, well known local horseman, has just been offered a contract by M-G-M. Having signed his contract, he will begin his duties as head trainer and horseman of the M-G-M Dude Ranch in Dead Gulch, California.

The latest discovery at Ohio State University, ground stringbean fodder for cattle, is credited to the head of the Agriculture College, Professor Gerald C. Beck.

The Elite Secretarial School, established in Oak Harbor ten years ago by Alma Jean Hetrick, is doing a flourishing business. The girls turned out by this school are noted for their lap-sitting technique.

Bruce Gregory has arrived at the top of the ladder of success, replacing William Bendix in the movie role of Chester Riley, in the "Life of Riley."

I am now on a beautiful, well-kept farm in Iowa. This is the home of Margaret Bukas and her family. We see Margaret coming out of the house with a very popular magazine under her arm. Why, what makes her stare so? We see now, there is a large picture of Irene Flick on the cover. She is the capable editor of this famous magazine.

Jane Thier and Suzanne Avers have just moved into their new hospital, better known as Agony Hall, in Painesville, Ohio. This hospital was constructed by Joan Lohr, who is a great Hollywood architect.

Perry Mason, famous retired lawyer, has turned all his cases over to Elmore's prominent lawyer, Paul Muenzer, who is very capable of handling the job.

Ina Mae Lamale has risen to great fame

as head elevator operator in the Empire State Building.

Nancy Zolman can now be seen under the big top, as she has risen to stardom with her spectacular, miraculous aerial stunts with the Ringling Brothers Circus. Her most dangerous stunt is diving 500 feet without a net and being caught by a baby gorilla.

Rita Wendt has erected a palatial mansion with the profits from her new discovery. "Wendt's Noiseless, Non-sticking, Unbreakable Bubble Gum."

The Tidee Didee Laundry Company, established, owned, and operated by Larry Detzel, former football star, has announced a new service--"Teaching new parents how to attach tidee didees."

Those two beautiful, modern farms adjoining each other belong to two classmates, John Luckey and James Croll. These two men take prizes every year at the Luckey-Croll Fair, with their excellent, well-bred guinea pigs.

Calvin Giesler, noted midget auto racer, won the Indianapolis Speedway Classic last week, with a speed of 500 mph.

Robert Sondergeld, owner of the Sondergeld Sunny Dog Kennels, has just published a statement that he has bred a new type of bulldog, that is neither mean nor ugly, but has a baby face, and is kind and gentle.

Weihrouch Bros. Strawberry-Peach Cough Drops are now on the market. Dale and LaVonne worked years to perfect them.

A new recreation center has been opened in Hessville by Roland Wheatley. It will contain 100 bowling alleys, pool room, swimming pool, table tennis, and a basketball floor.

At their annual meeting next week, the Willett Nature Trails Club will display their hobbies in the Elmore Museum. Among the possessions shown by Gaillard Willett will be his famous baby elephant, "Pinky," his famous skunk, "Stinky", and his famous raccoon, "Blinky."

As the picture fades away in my crystal ball, I come to the conclusion that this class has applied its twelve years of knowledge very well, and I am quite sure this class will be one of the most successful to graduate from Elmore High.

A black and white photograph of a large, ornate, domed building, likely a mosque or a grand palace, with intricate architectural details and a prominent central dome. The building features multiple levels of arched windows and a complex roofline. The photograph is mounted on a dark album page with white photo corners.

As their project for the year the Student Council planned to sponsor the purchase of a football scoreboard.

The chandelier is a masterpiece of craftsmanship, featuring a central column with a striped canopy at the top and a tiered base. It is flanked by two large, rectangular, light-colored panels. The entire scene is framed by a decorative border.

# BAND

The band started the year with daily rehearsals on football field-time shows. High spots of the season were the Halloween show which featured a Jack O'Lantern, a skull and crossbones, and spooky music. Roger Overmyer's fainting spell, which was a part of one of the stunts, had Dr. Volow and Bill Giesler worried for a minute until they found out it was a fake.

Favorite music of the football band included "Fidelity," "Our Director," "Washington and Lee," and "Hearthbreaker." The concert band studied a variety of popular and classical music. Among these were "Deep Purple," "Stairway to the Stars," several overtures, and new marches. The Spring Concert, along with the Spring Festival, is a highlight of the second semester.

A wiener roast was given by the Band Boosters, who also sponsor the band with Tig Day and bake sales. An increasing demand for performers at church and other public programs is considered proof that the music student hath charms.

## A black and white photograph of a large group of people, likely a choir or a group of children, standing in several rows. They are holding large, rectangular signs that spell out "WELCOME" in capital letters. The photo is tilted slightly to the right.

A large group photograph of the 1925-1926 Yearbook staff. The group consists of approximately 30 individuals, including students and faculty, posed in four rows. The front row is seated, while the subsequent three rows are standing. The individuals are dressed in formal attire typical of the mid-1920s. The photograph is a black and white print with a white border.

At the beginning of the year the boys taking vocational agriculture started to clean up their new shop and class room in the old bus garage. Now they have the class room fixed up and painted a light green. They purchased a \$128 power saw from the Freeman Supply Company in Toledo, using the money from the soybeans raised in the football field in 1948.

The chapter had a dual point hunt with Genoa and lost by 1000 points. They had to give Genoa a party at Elmore on February 9.

The juniors and seniors repaired different kinds of machinery while the freshmen and sophomores worked with wood. The juniors and seniors also took up tractor work.

The annual Parent and Son Banquet was held February 23.

A black and white photograph of a group of people, including a man in a patterned shirt and a woman in a dark dress, standing together. The photo is tilted and has a white border.

A black and white photograph of a large group of people, likely a choir or a group of students, standing in several rows outdoors. They are dressed in formal or semi-formal attire. The photo is mounted on a page with handwritten notes at the bottom.

## A black and white photograph of a large group of young men, likely a football team, posing in front of a building. The group is arranged in several rows, with some players in the front wearing dark jerseys and light-colored pants. A banner on the right side of the photo reads "FLMORE". The photo is mounted on a page with a grid of small squares at the bottom.

The image shows a document with a large, dark, irregular stain on the left side. The document contains faint, handwritten text in a cursive script, which is mostly illegible due to the stain and fading. The text appears to be a list or a series of entries, possibly names or dates, written in a historical or official style.

## 1949 TRACK

Elmore placed fourth on discus and shot points at the 38th annual Ottawa County Track Meet. Elmore would have been well off if the track meet had been confined to those two events. They scored five of their six points in the discus and shot throws. **The final point came with a fourth place finish in the mile relay.**

Winning points for Elmore were Paul Muenzer, third in the shot put, Calvin Giesler and Bruce Gregory, third and fourth in the discus, Eldon Riehm, Junior Klingbiel, Tom Schemmer, and Charles Ruepke, fourth in the mile relay.

Oak Harbor repeated as champions with 60 1/2 points. Lake Ide--49 1/2, Port Clinton--39, Elmore--6, and Genoa--1.

At the DeVilbiss Relays, Paul Muenzer placed fourth in the shot put, and Calvin Giesler placed fourth in the discus throw. At the Clyde Relays, Paul Muenzer placed third in the shot put.

# FOOTBALL STARS

**JERRY HETRICK - SENIOR GUARD** Will certainly be missed when the football squad opens its 1950 season. Jerry was responsible for meeting many ball carriers before they crossed the line. He was voted as the first All Conference Guard of the Sandusky Bay Conference.

**LARRY DETZEL -- SENIOR FULLBACK** Missed making the All-Conference team by just a few votes. Larry was the high scorer for Elmore. He kicked and even passed the extra points and kicked off for the team. Next fall it will be a big job trying to find someone like Larry who will carry the ball across the goal line for Elmore.

ELMER  
Mascot

**LOUIS NEEB -- JUNIOR QUARTERBACK** The man who calls the plays. Louie adapted himself very well to the T-formation, making him a threat to any opponent. He will be back for the 1950 season and with good work should become an All-Conference Quarterback.

**ELDON RIEHM -- JUNIOR CENTER** Captain of our great team. Eldon was always in the game, having played every minute of our 1949 season. His wise decisions as a captain will be well remembered, and the 1950 season will be even better.

# FOOTBALL STARS

**JIM LOWRY -- SENIOR HALF-BACK** Saw considerable action in every ball game. Jim was well known for his low sweeping runs through tackle and around end. Jim suffered a severe collar bone fracture in the Clyde game.

**BRUCE GREGORY -- SENIOR HALFBACK** Missed a considerable part of the season due to injuries. Bruce was hard to keep on the bench in spite of his injuries. He was noted for his carrying the ball around end for extra yardage and touchdowns.

**CHARLES ROEPKE -- JUNIOR HALFBACK AND END** Another of our football greats. He was a smooth player at halfback, defensively and offensively. He was noted for many pass interceptions. Midway in the season he was moved to the end position where we expect to see great things from Chuck in 1950.

**PAUL MUENZER -- SENIOR TACKLE** Could really get around with that 215 pounds of beef. Opponents will well remember that big tackle from Elmore as a good sport as well as a good athlete.

**JIM CROLL -- SENIOR TACKLE** Along with Paul, Jim was a very good tackle. Hampered by numerous ankle injuries, Jim played a good game when he probably should have been nursing his injuries. We will be missing you, Jim.

# FOOTBALL STARS

**JERRY BECK -- SENIOR END** Well known for his ability to stop many a touch-down play around his end. Jerry's size and ability on offense will make it very hard to find someone to fill his shoes for the coming year.

**DOUGLASSLOAN -- SENIOR END** Worked very hard at his position. His defensive work was outstanding when opponents tried to sweep around his end. With deepest regrets, Doug was lost for the season because of a collar bone fracture during practice.

**BOB LAUER -- SOPHOMORE GUARD AND FULL-BACK** Will be back bigger and better than ever. Bob played both positions very well. Next year will see him at guard and respected by all opponents for his ability as a football player.

**CALVIN GIESLER -- SENIOR GUARD** Began football practice after the season started and soon worked himself into a starting berth. Calvin was most effective as a defensive line-backer and in the line.

**GAIL HEIN -- JUNIOR TACKLE** A tough man to get through. His 220 pounds made it rough on any player on the other side of the line. Tubby will be welcomed back next year by the Elmore football fans.

# FOOTBALL

The fall of '47 saw the local team play in the first football season of the Sandusky Bay Conference. The season began for some 2,500 people with the SBC Premier at Elmore on September 7, when the new stadium was used for the first time.

Elmore showed much improvement from last year, winning games against Genoa and Clyde and proving a threat to others in the league. Touchdowns were made by Lowry, Detzel, Roepke, and Beck, with Detzel carrying for the greatest number of touchdowns. Injured during the year were Donaloss Sloan and James Lowry, with broken collar bones, while other injuries were minor.

"Up to the Gutter"

# SANDUSKY BAY

**JERRY HETRICK--SENIOR FORWARD** Was a threat to any opposing team. Jerry was a fine dribbler and ball handler and was very dangerous with his favorite jump shot. He made the All-County team last year and this year missed the All-Conference by only one point. Along with the other four senior teammates, he will be missed considerably.

**CHARLES ROEPKE--JUNIOR GUARD** Is noted for his calm and steady ball playing. Although only six feet tall, Chuck can rebound both backboards with the skill of a well known basketball giant. His ability to steal the ball and dribble down court for an easy lay-up helped the team to a successful season. He will be back for one more great season.

**JIM LOWRY--SENIOR FORWARD** Did not see action until the last part of the season due to a collarbone broken in football. Jim proved his ability as a potential scorer when he collected five points in the closing minutes of the St. Mary's game. We wish he could be back next year.

**LOUIS NEEB--JUNIOR FORWARD AND GUARD** Is well remembered for his tactics of ball-stealing from the opponents. He will be back next year with his ball-stealing, good passing, and scoring for Elmore. Louie will, no doubt, lead his team to victory in 1951.

# CONFERENCE CHAMPS

**ELMER--SPIRIT OF THE SCHOOL** Saw plenty of action in every game. He was the most under-rated member of the team, for he was back of every point scored and helped bag many of the close thrillers for Elmore. He will be back fighting for us again next year.

**JERRY BECK--SENIOR GUARD AND FORWARD** Saved our team from defeat several times. Jerry was there when the chips were down. He played both guard and forward for our team and was well noted for his shots going under the basket. On occasions, Jerry was noted for driving in through the center and scoring for his team.

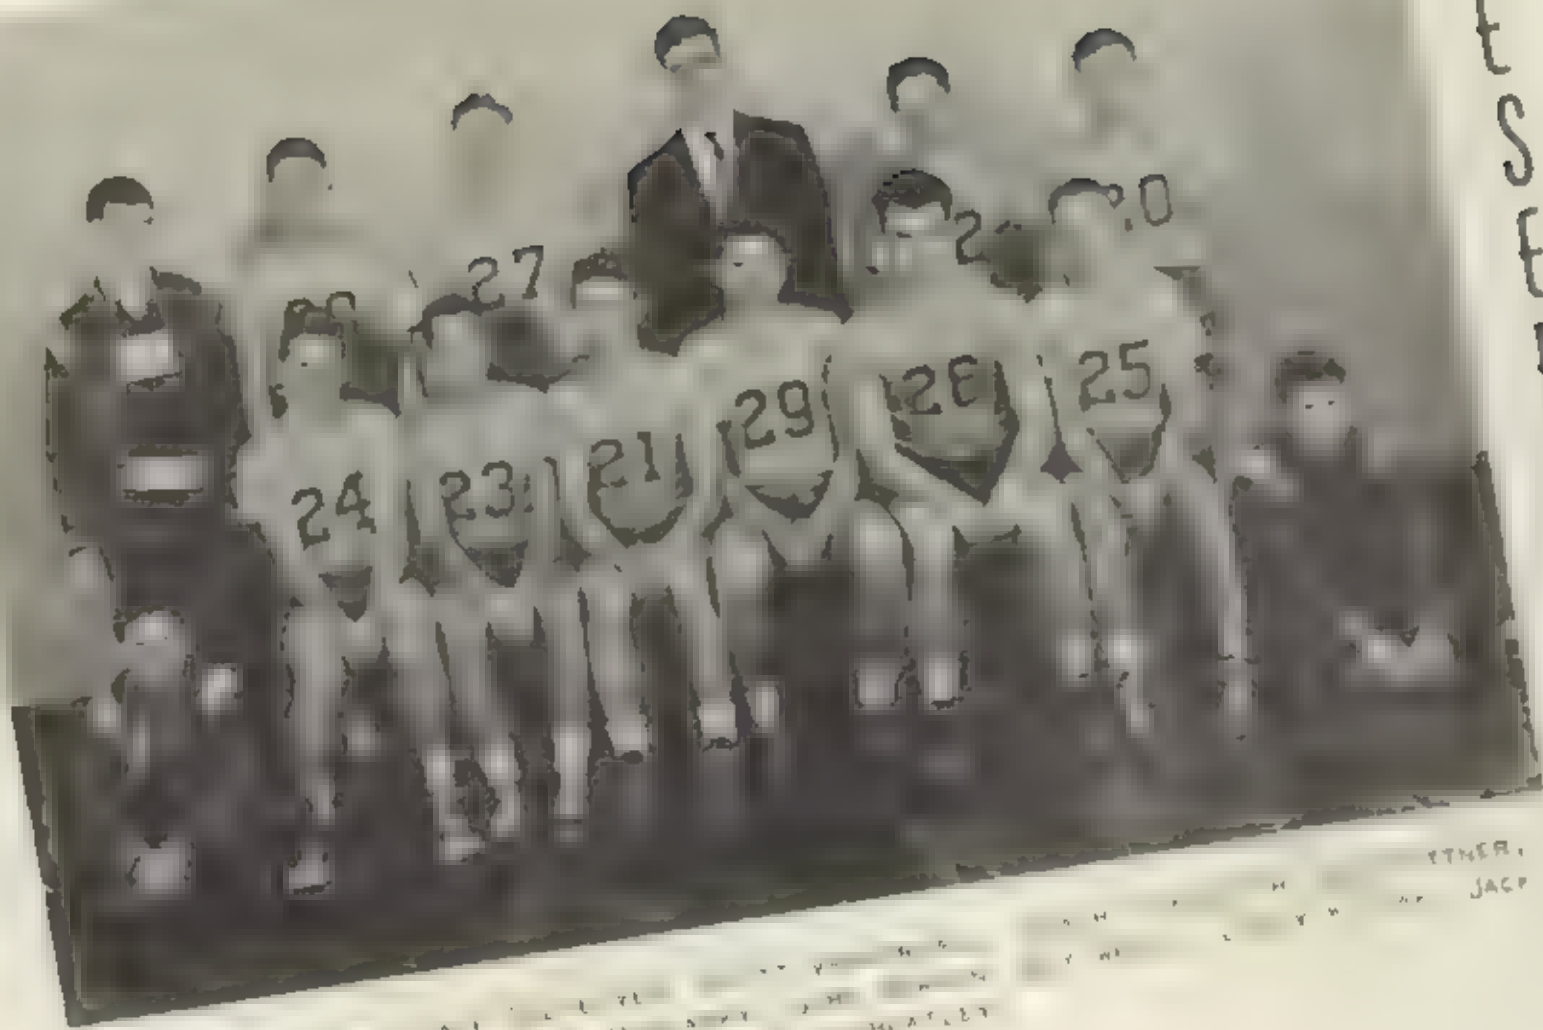

**PAUL MUENZER--SENIOR CENTER** Started adding points to the scoreboard every night in season and paced the scoring in the Sandusky Bay Conference. Paul kept our team in the running for the Sandusky Bay Conference title and was named as an All-Conference player. A forward and center who will be remembered by his team as a great player.

**LOREN NOWAK--JUNIOR GUARD AND CENTER** Was used as a utility man at both positions and proved that he could do a very good job on a basketball floor. We expect Loren to come in with a starting berth on the squad next year.

**BRUCE GREGORY--SENIOR GUARD AND FORWARD** Was used as a point guard and proved his ability as a utility man when the going was toughest. We are sorry to see Bruce leave us.

# JR. HIGH SCHOOL BASKETBALL

The first organized junior high basketball team, consisting of seventh, eighth, and ninth graders, and coached by Mr. Hetrick, proved to have a successful season. They won 5 games and lost 2.

They also played at a Round Robin at Oak Harbor. Playing Lakeside the first half, they lost, 17 to 14, in a thrilling overtime. Their bad luck held out, as they lost to Oak Harbor, 20 to 4.
